Pet Feces

Weeds

Cooking
Oil/Fats

Glossy
Paper

Browns

Dry leaves, twigs, straw,
shredded paper, soil, etc.

Greens

Food scraps, coffee
grounds, grass clippings, etc.

Tips:

...Add layers by 'browns' and 'greens'

...Always keep a top layer of browns

...Have browns readily available

...Mix before adding new layers

...Cut materials for faster composting

...Keep the bin moist but not wet
